

Green Hastings, Hastings, O! come
 here's your large Rowley Powlies,
 no more than Six-pence a Peek.

ROWLEY Powley, jolly Pease,
 In Summer give your hearts ease,
 When nicely boil'd and served up,
 With melted butter in a cup :
 And if you add a bacon slice,
 'Twill make a supper wond'rous nice;
 Then come and buy before I go;
 Gee up, old Ball, *Green Hastings, Ho!*
